Pricing for 2010

Why 3 prices?: Realizing that families have differing abilities to pay for a camp experience, we have a voluntary 3-tier pricing program. Please take a moment to look at the rate descriptions and determine which one your family is able and willing to pay for your child's camp experience. This is strictly an honor system: select the fee and dates that are right for your family. **This program is voluntary and in no way influences the experience children receive. Prices include youth program Membership**

Choose the camp fees that best suit your family's ability to pay

Rate A- This fee is based on the actual cost to operate camp programs including wear and tear and depreciation.....\$525

Rate B- This fee is partially subsidized and does not include wear and tear and depreciation.....\$475

Rate C- This is our traditionally subsidized rate and does not reflect the true cost of operating camp programs.....\$425

We have additional financial assistance available for those who need it. (Financial aid forms can be obtained at any YMCA branch)
